TRAINEE OF THE MONTH
TRAINEE OF THE MONTH

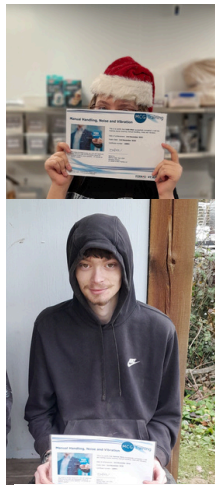

£50 WINNERS

Fabulous Gate made by Charlie and Isaac And fitted this week.

Dont forget to track Santa Christmas Eve on www.noradsanta.org/en/

December saw lots of you get your Manual Handling and your ROLO, and Grace passed her NVQ. The amazing squid sculpture the Metalwork trainees created with artists for Glow Wild was the centrepiece of the event, and amazing if I do say so myself. Lots of L1, L2 passes and three Extension passes this month too. Well done to all of you with these achievements, a lot of them for what is a short month here. The caterers provided an outstanding Christmas meal for everyone. Thank you so much - and for feeding us all so well every single day of the year! As I write this, we're all gearing up for the end of year Go Kart racing - which will doubtlessly be a hoot! Thanks for a fantastic year at the Foundation, everyone. Wishing you all a Merry Christmas and an amazing 2026.
