Halloween on 31st October 8 weeks to go

August has been another blazing month at the Foundation, with lots of outdoor enjoyment of the fine weather in the evenings, including football and regular games of manhunt. Daniel G and Max passed their chainsaw felling, Harry P and Ronnie got their forklift licence, and a bunch of you passed your abrasive wheels ticket. We had L1 passes from Callum, Damian & Ryan; and L2 passes from Mo, Max & Charlie B. Dan G went out into a job. Mo will also be finishing with us having gained a stack of certificates.
Lots to celebrate even though it was a month of holidays !
