Clayton's Comments

Well it has been a very hot month for all of us and we have had a lot of success with tree felling, and digger and dumper courses. Riley P Left this month and passed his driving test a couple of days before. He has done well over the last few months and has gained his NVQ L 2 and lots of other certificates. The slip and slide was a great success in the evenings and of course there is football in the Sports Hall tonight on our fabulous 85" TV and a dinner box. Come on England!! Certificates were achieved for Isaac, Tye, and Charlie for L 2 Ext and Riley and Brandon for their Level 2, Grace, Dan, Sam, and Harry for their Level 1. More exciting things to come next month when our mechanics move down to the workshop area.
